<b>Title:</b>	PROPOSED COMPLETION OF CONSTRUCTION APPROVAL RESOLUTION (TRANSPORTATION AND HIGHWAYS)				

Department: Transportation and Highways

Other Part(ies): Areatha Construction Company Incorporated, Chicago, Illinois

Action: Approval

Good(s) or Service(s): The improvements on Ridgeland Avenue, Cottage Avenue and Roberts Road bridges includes removal and replacement of the existing expansion joints, removal and replacement of hot-mix asphalt, approach span or slab repair, epoxy crack injection deck slab repair, structural repair of concrete, concrete curb removal and replacement and any collateral and auxiliary work as needed to complete the project. At Central Avenue culvert, work includes the removal and replacement of the east wingwall stems and the addition of one foot toe at the east side footings, structural repair of concrete, geo-composite wall drain replacement, steel plate beam guardrail removal and replacement and any collateral and auxiliary work as needed to complete the project.

The decreases are attributed to the difference between the estimated quantities and actual filed quantities of work performed with deduction in soil retention, epoxy crack injection, structural repair of concrete, approach slab repair, field office and contract extra work items per field conditions.
