Summary: Under this proposed increase and six-month extension of the interagency agreement, the Illinois Housing Development Authority (IHDA) will continue to operate a toll-free helpline service and manage and administer housing counseling services as a part of the Circuit Court's free Mortgage Foreclosure Mediation Program.

Families facing foreclosure call the IHDA's helpline to receive important information on the foreclosure process and to set up an appointment with a HUD-certified housing counseling agency. Families receive the housing counseling services from IHDA's seven (7) HUD-certified subcontractors which were selected after a rigorous application process and are located throughout Cook County. Services include: one-on-one housing counseling with families; assistance with applying for loan modifications; and identification of other options to avoid foreclosure whenever possible. Each family receives an average of four (4), one-on-one counseling sessions. As of 12/31/2016, IHDA's subcontractors assisted more than 157,000 families through the helpline, provided more than 88,000 families with free one-on-one initial housing counseling sessions, and conducted more than 300 housing counseling workshops throughout Cook County at which almost 9,000 families received assistance.

The increase and extension are necessary for the remainder of the program year. Request for Proposals (RFPs) are in process for all program services.
