Concurrences:

The contract-specific goal set on this contract was zero.

The Chief Procurement Officer concurs.

Summary: The Cook County Department of Homeland Security (DHSEM) is requesting authorization for the Chief Procurement Officer to enter into a contract with Audio Fidelity Communications Corporation for maintenance and warranty of audio and visual system support at the Cook County Emergency Operations Center.

This fully integrated system includes teleconference, videoconference, internal and external connectivity along with a cable television distribution system, Christie MicroTile walls and Jupiter video matrix distribution systems for the Center and several conference rooms including the County Board President's meeting room. Using this technology allows DHSEM to integrate this functionality with DHSEM's facilities throughout Cook County. Audio Fidelity Communications Corporation designed and built this highly-integrated, state-of-the-art audio and visual system, which will serve Cook County in times of emergency, disaster and training. It is imperative that the same highly qualified team that engineered and implemented this system is the team of technicians that maintains and repairs it when in need.

This is a Sole Source procurement pursuant to Section 34-139 of the Cook County Procurement Code.
