Summary: In December, 2013, this Board approved Contract No. 13-18-078 with Adapt Telephony Services to deploy the current Interactive Voice Response ("IVR") system that provides automated answering and routing services for multiple County agencies and approximately four million callers per day. The Bureau of Technology ("BOT") now requests that this Board approve an amendment to this contract in order to extend IVR functionality for outbound court notification calls based on information provided by the Office of the Chief Judge. The functionality will improve communication with defendants concerning the location, date, and time of court appearances.

This contract was awarded through Request for Proposals (RFP) procedures in accordance with Cook County Procurement Code. Adapt Telephony Services, LLC. was selected based on established evaluation criteria.
