Summary: Contract 1753-16842 with Northwestern University provides for the operation and management of the Juvenile Clinic, including forensic evaluations and related services to the judiciary for youth and families involved in Juvenile Justice and Child Protection proceedings. The existing one-year bridge contract with Northwestern is modified to increase and extend the contract for the provision of forensic services at the Clinic while removing the provision of mental health services for youth detained in the Juvenile Temporary Detention Center. Those services recently shifted to the Cook County Health and Hospitals System. The two (2) year extension will continue forensic services in Juvenile Court while the court works with the CCHHS to fully integrate mental health services for youth across the Juvenile Court enterprise. In time, a Request for Proposal (RFP) will be completed for the provision of forensic services. The contract is also modified to include insurance and indemnification provisions.

The Office of the Chief Judge is requesting the County to indemnify Northwestern University for actions arising out of its contractual responsibilities. This is a sole source contract pursuant to Section 34-139 of the Cook County Procurement Code.
