Title:	PROPOSED TRANSFER OF FUNDS				

Department: County Clerk

Request: Transfer of Funds

Reason: For the purpose of covering Seasonal and Temporary employee wages for election services

From Account(s): 11306.1110.35165.521005, \$900,000.00

To Account(s): 11306.1110.35165.501135, \$300,000.00; 11306.1110.35165.501296, \$600,000.00

Total Amount of Transfer: \$900,000.00

On what date did it become apparent that the receiving account would require an infusion of funds in order to meet current obligations? What was the balance in the account on that date, and what was the balance 30 days prior to that date?

It became apparent on 8/7/2019 that we would require a transfer of funds upon completion of our final processing and reconciliation of wages paid to 2019 election workers for services rendered. In addition, to cover temporary (Per Diem) workers for decommissioning of old election equipment and commissioning of new voter equipment

How was the account used for the source of transferred funds identified? List any other accounts that were also considered (but not used) as the source of the transferred funds.

The account used to transfer funds was identified as having enough funds to accommodate the wages paid to election workers with a minimal impact to the account for future expenditures.

Identify any projects, purchases, programs, contracts, or other obligations that will be deferred, delayed, or canceled as a result of the reduction in available spending authority that will result in the account that funds are transferred from.

None

If the answer to the above question is "none" then please explain why this account was originally budgeted in a manner that caused an unobligated surplus to develop at this point in the fiscal year.

The prior CCCO administration estimated the professional legal expenditure based upon prior election needs.
