Summary: The Department of Transportation and Highways respectfully requests approval of the proposed contract amendment between the County and Transystems Corporation, Chicago, Illinois. This amendment provides for the renewal of the first of two one-year renewal options and an increase to the contract. This amendment provides for continual design effort for intersection and traffic signal, small roadway segments/roadway corridors, structures, and design of drainage/flooding solutions; completion of on-going plans, specifications and estimates; updating County standard details and specifications; identification and preparation of grant applications for project funding; and various project permitting. This Contract also provides assistance in preparing new documents including plans, specifications and estimates with supporting engineering analysis for various projects throughout Cook County. All services will be requested on an as-needed basis.

The contract was awarded through a publicly advertised competitive Request for Qualification (RFQ) process in accordance with the Cook County Procurement Code. Transystems Corporation was awarded based on established evaluation criteria.
