Summary: A new Xerox competitively bid contract was executed November 2019 for lease of high-speed printers for Bureau of Administration's print shop operations at Rockwell Warehouse. This amendment will add the Bureau of Technology's existing four high-speed printers to this competitively bid contract at the same bid price. The Bureau of Technology needs to continue high-speed printing to support property tax bill printing, jury summons, check printing, revenue tax billing, property assessments, assessment appeal forms, IRS W2 forms, and other miscellaneous print items.

This contract was awarded through the competitive bidding process in accordance with the Cook County Procurement Code. Xerox was the lowest, responsive and responsible bidder.
