Summary: The Department of Transportation and Highways respectfully requests approval of the proposed contract Amendment between the County and DuPage Materials Company, Westmont, Illinois. The Bituminous Materials (Cold Patch) is essential material for Highway Maintenance Operations. This material commonly known as cold patch is used for pothole patching in Asphalt and Concrete pavements and emergency repairs of pavement in pavement blow ups to provide motorist safe riding surface. This increase is necessary due to weather-related increased use of the material. The material will be used in the Northern area of Cook County, specifically for the Cook County Maintenance Districts 1 and 2.

The vendor was selected through a publicly advertised competitive bid process in accordance with the Cook County Procurement Code. DuPage Materials Company was the lowest, responsive and responsible bidder.
