Summary: The Cook County Clerk's Office is requesting an approval of payment to Pickens Kane for \$55,336.00. This request is due to Covid expenses were a result of emergency management requesting this vendor to supply extra support for the election because they had no other contractual services available to them to help during COVID-19 primary election. The additional cost for early voting will be offset by less training equipment transferred and other areas where we could realize savings for November 2020.
