Summary: The Cook County Election Department currently has an antiquated asset tracking system (more than 15 years old) in place to keep track of all election related voting machines, peripheral equipment, supplies and transportation equipment. This old system is no longer supported and obtaining replacement parts and service is no longer possible. The proposed Asset/Inventory Tracking System will replace the old one and provide must greater capability for tracking assets during each election.

Original contract awarded through the Request for Proposals (RFP) procedures in accordance with the Cook County Procurement Code. Clarity Partners, LLC was awarded a contract based on established evaluation criteria.
