Summary: The Department of Transportation and Highways respectfully requests approval of the proposed Contract Amendment between the County and GSG Consultants, Inc., Schaumburg, Illinois. The Contract Amendment will allow for the continued services for geotechnical services, including soil borings and related soils analyses, along with geotechnical reports with recommendations derived from soil investigations. The services include defining strength properties and characteristics of the underlying soils to support the Roadway Pavement and Highway Structures. Contract also includes Clean Construction or Demolition Debris soil testing (CCDD). Due to increased involvement in addressing regional transportation needs, the department is experiencing greater demand for geotechnical services. This requires exercising the second and final of two. one-year renewal options on this existing contract and increasing (supplementing) the contract value to provide the necessary capacity.

Request for Qualification (RFQ) procedures were followed in accordance with the Cook County Procurement Code. GSG Consultants, Inc., Schaumburg, Illinois, was selected based on established evaluation criteria.
