Summary: This increase and second of two (2), three (3) year renewal options will allow the Department of Risk Management to continue access to the Origami Risk Management Information System (RMIS). Origami RIMS serves as the unified claims management platform to support the financial management and reporting needs of the County. All liability claims including workers compensation are tracked within this system. The State's Attorney's Office and other business units access the system for their respective claims management activities.

This contract was awarded through Request for Proposals (RFP) procedures in accordance with Cook County Procurement Code. Origami Risk LLC was selected based on established evaluation criteria.
