Title: PROPOSED GRANT AWARD

Department: Cook County Health

Grantee: Cook County Health

Grantor: Health Resources and Services Administration

Request: Authorization to accept grant

Purpose: Primary Care Training and Enhancement-Community Prevention and Maternal Health

Grant Amount: \$600,000.00

Grant Period: 7/1/2021 - 6/30/2022

Fiscal Impact: \$600,000.00

Accounts: N/A

Concurrences:

The Budget Department has received all requisite documents and determined the fiscal impact on Cook County, if any.

Summary: The Cook County Health (CCH) Primary Care Training and Enhancement-Community Prevention and Maternal Health Program seeks to expand its current curriculum to include focused training in maternal health outcomes targeted to underserved populations in Cook County, IL. This program will also enhance the existing clinical curriculum in priority areas of HIV, opioid addiction and overdose, quality improvement, telehealth, and mental health access to include a focus on maternal health needs and initiatives in each area. CCH will convene an advisory panel of multidisciplinary maternal health care (MNC) experts to work with preventive medicine program leadership to guide the implementation of all our proposed program activities and foster partnerships with academic and community organizations focused on MHC.
