

Board of Commissioners of Cook County

118 North Clark Street
Chicago, IL

Legislation Details (With Text)

File #:	21-4370	Version:	1	Name:	FEMA Public Assistance
Type:	Grant Award Amendment	Status:		Status:	Approved
File created:	7/23/2021	In control:		In control:	Finance Committee
On agenda:	7/29/2021	Final action:		Final action:	9/23/2021
Title:	PROPOSED GRANT AWARD AMENDMENT				

Department: Emergency Management and Regional Security

Grantee: Emergency Management and Regional Security

Grantor: FEMA Public Assistance

Request: Authorization to increase

Purpose: To increase the County's FEMA Public Assistance grant award to accommodate additional funding for the coverage of vaccine distribution and administrative costs.

Supplemental Grant Amount: N/A

Grant Period: 3/13/2020 (beginning of the national emergency) through the end of the federal emergency declaration.

Extension Period: N/A

Fiscal Impact: \$16,500,500.00 (Award will be increased from \$136,763,546.18 to \$153,264,046.18)

Accounts: 11900.1265.53990.50000. No cash match required. FEMA is currently funding COVID-19 related eligible costs at 100%.

Date of Previous Board Authorization for Grant: Previous grant award approved by the Budget Director pursuant to Resolution 20-2373

Previous Grant Amount: \$136,763,546.18

Concurrences:

The Budget Department has received all requisite documents and determined the fiscal impact on Cook County, if any.

Summary: The FEMA Public Assistance grant is a reimbursement grant that allows the County to recover costs associated with responding to the COVID-19 pandemic. Eligible costs are paid for by the County and submitted to FEMA for reimbursement. FEMA has issued additional guidance allowing for local governments to recoup mass vaccination costs in addition to reopening costs. This amendment will allow the County to receive these additional funds in advance to assist in the payment of costs related to our continued vaccination distribution and administrative effort as well as our ongoing reopening effort related to COVID-19.
