WHEREAS, on June 24, 2021, the Cook County American Rescue Plan Act Framework (the "ARPA Framework") was presented to the Cook County Board of Commissioners; and

WHEREAS, to effectuate the approach outlined in the ARPA Framework, the Cook County Board of Commissioners authorized the Chief Financial Officer and the Budget Director to expend a limited amount of ARPA funding via Resolution 21-3657 for the purpose of continuing and expanding existing County programs and initiatives, including any created under CRF, as well as for the purpose of building operational support capacity within County departments and offices to assist with managing the ARPA funded initiatives; and

WHEREAS, Resolution 22-0637 authorized the Chief Financial Officer, Budget Director, Chief Procurement Officer and applicable using agencies to issue grants, contracts and agreements for up to \$100M in ARPA funding for Vital Community programs approved via Resolution 22-0637; and

WHEREAS, to further the Policy Roadmap Goal to pursue inclusive economic and community growth by supporting residents, growing businesses, attracting investment and nurturing talent, the Bureau of Economic Development (BED) has developed a menu of Vital Community programs and initiatives which have undergone review and approval through the Project Management Office process to utilize ARPA funding for such programs and initiatives pursuant to the issuance of grants, contracts and agreements; and
