Summary: The Justice Advisory Council's No Place To Stay (NPTS) housing program provides housing for individuals ordered onto the Sheriff's Office pre-trial electronic monitoring (EM) but who lack sufficient housing where EM could be implemented. These individuals, deemed "No Place To Stay," would otherwise have to wait in the jail for their pre-trial period to resolve or their electronic monitoring condition of release to be removed. The JAC has retained providers to supply housing and other wraparound services as appropriate for these individuals, with operational support from the Sheriff's Office and Cook County Health, so they do not have to unnecessarily spend that time in the jail.

The JAC seeks to enter into new contracts, pursuant to our RFQ 1205-2104, "Housing Services and Wraparound Supports" with a variety of providers each providing house placements, and some level of wraparound services including set periods of extended stay/aftercare for individuals whose cases resolve but would benefit for some additional days of housing to ensure continuation of helpful services and better re-integration into their communities.

The new set of NPTS contracts expands upon needed services, increases the total amount of beds for the NPTS program, and introduces improved reporting requirements. All payments under these contracts are for placements and bed-nights that we actually utilize, i.e. no provider is paid for space that do not use.

Haymarket is unique among our providers in that they provide housing and services for higher levels of physical, mental health, and substance abuse needs. They provide housing and services for all

genders. Haymarket will provide us with up to 6 beds on a first-come-first-served basis and will provide service until the client's level of need drops to a point at which they could be served by our other providers. Haymarket will provide us 6 placements at a rate of \$175.00 per day, with up to 2 of those placements being able to be used for up to 90 days of aftercare/extended stay...end
