PROPOSED SUPPLEMENTAL IMPROVEMENT RESOLUTION (TRANSPORTATION AND HIGHWAYS)

Department: Transportation and Highways

Project Type: Motor Fuel Tax Project Supplemental Improvement Resolution

Request: Refer to the Committee of Roads and Bridges

Project: Pavement Rehabilitation 2014

Location: Various Locations throughout Cook County

Section: 14-REHAB-01-PV

County Board District: Countywide

Centerline Mileage: N/A

Fiscal Impact: \$600,000.00

Accounts: Motor Fuel Tax Fund: 600-585 Account

Board Approved Date and Amount: 05-21-2014 \$2,750,000.00

Increased Amount: \$600,000.00

Total Adjusted Amount: \$3,350,000.00

Summary: The Department of Transportation and Highways respectfully submits for adoption a supplemental resolution appropriating funds for the improvement of County Highways at various locations throughout Cook County. This improvement, as proposed, will consist of milling and resurfacing of the existing bituminous pavement with hot-mix asphalt or diamond grinding existing concrete pavement and shall include patching, concrete pavement replacement, drainage repairs and adjustments, sidewalk removal and ADA compliant ramp replacement, traffic control and protection, pavement marking, landscaping, engineering and other necessary highway appurtenances.

This improvement will rehabilitate various severely deteriorated roadway segments which suffered from the unusually harsh winter weather and is needed to protect the public investment in the highway system and provide safe, efficient and sustainable highways.

On 5/21/2014, your Honorable Body approved an Improvement Resolution appropriating \$2,750,000.00 towards completion of this improvement. Additional funding is required to cover the cost of work as bid. In order to complete work at two of three priority locations this year, a change in construction material, from Hot Mix Asphalt to Portland Cement Concrete was approved by the Department. With the change in material, the revised bid pricing exceeds the amount previously approved. Completion of work this year is required at these locations to ensure the safety of the motoring public through the snow season and to allow these areas to be safely plowed.
