Summary: I respectfully submit to your Honorable Body and recommend for adoption a resolution approving the construction of the above captioned project in the Village of Lansing. On 4/3/2012, your Honorable Body awarded a contract to Gallagher Asphalt Corporation, Thornton, Illinois for the aforesaid improvement to be completed in accordance with the plans and specifications. The awarded contract amount of this project was \$6,302,318.17 and the final construction cost is \$6,720,862.41. The increase is attributed to the difference between the estimated quantities and actual field quantities of work performed with increase in earth excavation, concrete sidewalk and additional items for

water main and drainage were per field conditions. The final cost is \$418,544.24 or 6.64% over the Construction Contract Bid Amount from the Motor Fuel Tax Fund Account #600-600.

It is therefore respectfully requested that the accompanying resolution be adopted.
