## PROPOSED RESOLUTION

URGING THE ILLINOIS STATE LEGISLATURE TO RESTORE COOK COUNTY'S 12-MONTH GRACE PERIOD BEFORE PROPERTIES ARE OFFERED TO TAX BUYERS

WHEREAS, second installment Cook County property taxes are due in early August each year; and

WHEREAS, taxpayers historically have had until August of the following year before the Cook County Treasurer was required to offer their unpaid taxes for sale to tax buyers; and

WHEREAS, tax buyers "purchase" the unpaid taxes at annually held tax sales. In exchange for fronting the money, tax buyers also buy a guarantee that indebted property owners will either repay them the full tax amount plus fees and interest, or else tax buyers have a right-two years later-to take title to the property; and

WHEREAS, as the law stands today, taxpayers will lose two months of the current twelve-month grace period for tax year 2014 (tax sale June 2016 instead of August 2016); they will lose two additional months for tax year 2015, and lose four additional months for tax year 2016. In tax year 2016 and in subsequent years, *taxpayers will have only four months after the due date to pay their taxes in full* before their taxes are offered to tax buyers; and

WHEREAS, the Cook County Treasurer currently receives 1.5% interest per month on delinquent taxes; and

WHEREAS, the Cook County Treasurer estimates that the aggregate loss of tax sale revenue to Cook County over the next three years alone will be \$84 million. Specifically, in tax year 2014 when the sale is two months earlier the County is estimated to lose \$12 million in revenue; in tax year 2015 when the sale is four months earlier the County is estimated to lose \$24 million in revenue; and in tax year 2016 when the sale is eight months earlier the County is estimated to lose \$48 million in revenue; and

WHEREAS, the property tax burden on Chicago residents and on all Cook County residents continues to rise even without this change; and

WHEREAS, although having more taxes auctioned would bring revenues more quickly to taxing districts, this accelerated schedule comes at the expense of taxpayers and benefits tax *buyers* the most; and

WHEREAS, Cook County taxpayers deserve more than four months to pay their taxes before they are offered to tax buyers.

**NOW, THEREFORE, BE IT RESOLVED**, that the Cook County Board of Commissioners contact state legislators and urge them to restore the tax sale schedule's twelve-month grace period, the way it has been in the past.

**BE IT FURTHER RESOLVED**, that a copy of this resolution be distributed to the Illinois State Legislature.
