Summary: The Department of Transportation and Highways respectfully requests approval of the Proposed Completion of Construction Approval Resolution.

The proposed improvements consist of furnishing all labor, materials and equipment required for Pavement Resurfacing Enhancement Program - South 2014. This includes but is not limited to hot-mix asphalt surface removal, hot-mix asphalt resurfacing, frame and lid adjustments, guardrail upgrades and maintenance, sidewalk removal and ADA compliant ramp replacement, traffic control and protection, pavement markings, restoration and any collateral and auxiliary work as needed to complete the project.

The increases are attributed to the difference between the estimated quantities and actual field quantities of work performed with additions in hot-mix asphalt items, sidewalk items and pavement marking items.
