Concurrences:

The contract-specific goal set on this contract was zero.

The Chief Procurement Officer concurs.

Summary: This increase and one-year renewal will allow Siemens Industry, Inc., to continue providing maintenance services for the Sheriff's Office Video Surveillance System. The surveillance system is a complex-IP based network system that requires specialized service and personnel to diagnose the issues. The Contractor services include repairs, parts and labor of hardware/equipment and preventative maintenance/testing.

This contract will allow the Sheriff's Office to continue receiving specialized service to diagnose issues, conduct repairs, provide parts and labor of hardware/equipment and preventative maintenance/testing of the video surveillance system by one company.

This contract was awarded as a Comparable Government Procurement pursuant to Section 34-140 of the Cook County Procurement Code. Siemens Industry, Inc., was previously awarded a contract by the Chicago Housing Authority (CHA) through a publicly advertised Request for Proposals process.
