**Summary:** These payments, in the amount of \$37,223.18 are proposed for McDermott Center's substance abuse treatment and counseling services to adult criminal offenders, who participated in the Circuit Court's drug treatment court programs during April and May 2019. Services provided included assessment, detoxification, counseling, residential rehabilitation, outpatient treatment, recovery home services, case management, toxicology, and aftercare. Prior to this time, these services were provided under County Contract 1388-12593 with McDermott, which expired May 31, 2019. This contract was replaced with a new contract awarded to McDermott Center beginning June 1, 2019.

The payments are necessary as service billings exceeded the contract value in the final months of the contract. The payments are funded by two grants and fees collected from probationers, who participate in the programs.
