Summary: The Bureau of Technology is requesting authorization for the Chief Procurement Officer to execute amendment #4 to contract no. 1441-13486 with Iron Mountain Information Management, LLC. The existing contract is being used countywide for records storage and records management. In order to fully utilize the Integrated Property Tax System solution currently being implemented by Tyler Technologies, the Assessor's Office requires the digitization and back-file conversion of historic Industrial/Commercial property characteristic cards which was a service also included in the original reference contract.

This is a Comparable Government Procurement pursuant to Section 34-140 of the Cook County Procurement Code. Iron Mountain was previously awarded a contract by Maricopa County Arizona, through a competitive Request for Proposal process. Cook County wishes to leverage this procurement effort.
