Federal Job Number: N/A

Final Cost: \$3,493,517.80

Percent Above or Below Construction Contract Bid Amount: \$63,910.37 or 1.90% above the Construction Contract Bid Amount

Summary: The Department of Transportation and Highways respectfully requests approval of the Proposed Completion of Construction for work done by D. Construction, Inc. of Coal City Illinois. The proposed improvement consisted of grinding and overlaying of the existing hot-mix asphalt pavement, patching, diamond grinding of existing concrete pavement, sidewalk ADA improvements, drainage repairs and adjustments, curb and gutter replacement, guardrail removal and replacement, traffic control and protection, pavement markings and any collateral and auxiliary work as needed to complete the project.

The increases are attributed to the difference between the estimated quantities and actual field quantities of work performed with increase in hot-mix asphalt items, landscaping, earth excavation, pcc sidewalk and curb and gutter items.
