The Chief Procurement Officer concurs.

Summary: Cook County has significant application infrastructure based on Microsoft platforms and it is essential that the County have access to Microsoft technical support resources to maintain and support these critical business systems. The majority of County agencies and elected offices of Cook County currently leverage the benefits of Microsoft Premier Support Services to ensure operational uptime within the County's Microsoft ecosystem. Additionally, Microsoft Premier provides unique access to system and security patches, allowing participating agencies to establish and maintain the appropriate security posture needed to safeguard the County's Microsoft systems.

This is a Sole Source Procurement pursuant to Section 34-139 of the Cook County Procurement Code.
