**Summary:** This amendment provides a one-year extension to the Countywide Job Order Contract (JOC) Program. This amendment will allow the County to extend the utilization of JOC contracts to facilitate all departments' upcoming projects.

JOC is a quantity-based procurement process that allows facility owners to complete a multitude of repair/maintenance and construction projects with a single, competitively bid contract. The JOC process involved first selecting a vendor pool of potential contractors through a competitive procurement process in accordance with the Cook County Procurement Code and identifying projects for such selected vendors.

This contract was awarded pursuant to a publicly bid in accordance with the Cook County Procurement Code. The vendors listed below were the lowest, responsive and responsible bidders.

This amendment will allow the County to extend the utilization of JOC contracts to facilitate all departments' upcoming projects.
