**Summary:** This contract allows for two (2), one (1) year renewal options. DEMRS is exercising both renewals concurrently in the amount of \$309,024.80 to achieve cost savings in the excess of \$31,780.00 and is thus requesting a two-year renewal to the contract.

This fully integrated system includes teleconference, videoconference, internal and external connectivity along with a cable television distribution system, Christie MicroTile walls and Jupiter video matrix distribution systems for the Center and several conference rooms including the County Board President's meeting room.
