Summary: The purchase of the laptops was a COVID-19 related emergency expense to be used by CCAO employees working remotely. The CCAO is a public-facing office that generates revenue. The work done in our office cannot be completely halted at a time when we are closed to the public. The purchase with Dell Marketing was imperative in order to expeditiously continue office processes in conjunction with complying with the mandated stay-at-home order. Purchasing the laptops from the countywide contract was not feasible as availability was limited and our office could not receive the needed laptops within a reasonable timeframe.
