**Summary:** The Department of Transportation and Highways respectfully submits the Proposed Completion of Construction for work done by Gallagher Asphalt Corporation, Thornton, Illinois. The proposed improvement consisted of grinding and overlaying of the existing hot-mix asphalt pavement, patching, diamond grinding of existing concrete pavement, sidewalk ADA improvements, drainage repairs and adjustments, curb and gutter replacement, guardrail removal and replacement, traffic control and protection, pavement markings and any collateral and auxiliary work as needed to complete the project has been completed under the supervision and satisfaction of the Superintendent.

The increases are attributed to the difference between the estimated quantities and actual field quantities of work performed with

additional quantities required for asphalt items, combination curb and gutter items, pavement patching items, modified urethane pavement marking, and storm sewer items.
