WHEREAS, the United States Secretary of Health and Human Services declared that COVID-19 presents a public health emergency on January 27, 2020, and on March 11, 2020, the World Health Organization declared COVID-19 a pandemic; and

WHEREAS, pursuant to the Cook County Code of Ordinances, Sections 26-36 and the Illinois Emergency Management Agency Act, 20 ILCS 3305/11, on March 10, 2020, County Board President Toni Preckwinkle found that the circumstances surrounding COVID-19 constitute a public health emergency and issued a proclamation of disaster for Cook County which has since been extended monthly by the Cook County Board of Commissioners through June 30, 2021; and

WHEREAS, on March 27, 2020, the federal government enacted the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") which authorized approximately \$2 trillion in federal stimulus funds to combat the crisis related to COVID-19, and included funds to specifically address the economic and public health issues that state and local governments encountered as they worked to protect their communities during this public health crisis; and

WHEREAS, Cook County qualified as an eligible local government and received \$428.6M in Coronavirus Relief Funds ("CRF") from the US Department of Treasury to specifically address the issues encountered by Cook County government, its residents, and its business from the effects of COVID-19; and

WHEREAS, as part of the Cook County Funding Response Plan, Cook County allocated the CRF as follows: \$302M to operational initiatives and direct costs incurred by the County, \$50.8M to assist 134 suburban municipalities and units of local government, and \$75.8M distributed via the Bureau of Economic Development to direct service providers within Cook County to address critical social service needs as well as economic and community development needs; and
