Summary: The Department of Transportation and Highways respectfully requests that this item be referred to Committee for further discussion. This contract provides Cook County Department of Transportation and Highways with a real time integrated Capital Program and Project Management information system ("System") to efficiently and effectively manage transportation projects and delivery of the County's transportation capital program.

The implementation of the System will provide management consistency in transportation project delivery, leverage the County team's ability to manage a large increase of workload associated with increased funding and enable the County team to communicate with local transportation stakeholders such as local agencies, roadway contractors and transportation engineering consultants. This System has the capability to provide real-time progress reporting functionality, budgeting information, and performance measurements.

This is a Comparable Procurement pursuant to Section 34-140 of the Cook County Procurement Code. e-Builder, Inc., was previously awarded a contract by the City of Tampa through a Request for Proposal (RFP). Cook County wishes to leverage this procurement effort.
